Dear Mr Mead,

Examination of the new Minerals Local Plan for Staffordshire (2015 – 2030)

Request under section 20(7)c of the Town and Country Planning Act 2004 – Main Modifications

Further to the submission of the above Plan together with proposed changes on 8 January 2016, the Council wishes to formally request that as part of the examination process, you make recommendations to the Council for any main modifications to the Plan that you consider are necessary in order to enable it to be found sound.

This request is made under the above Act in order to enable the Council to progress the Plan to adoption following any necessary consultation upon any main modifications that may be proposed.

Yours sincerely,

Matthew Griffin
